The two-year contract for Municipal Judge will be up for renewal in December of 2016. This meeting will allow the Council the opportunity to speak with Judge Nigro about how he feels his first two years as Municipal Judge have gone and discuss issues of the Court and recent legislation in Missouri that have impacted the Municipal Court system.

B. Names for New Municipal Center and “Relocated Kentucky”

The Council will be discussing names for the new building on Municipal Circle and for the segment of road to be built off of Kentucky aligning with the traffic signal that serves the Galleria Developments north and south.

C. Public Art Process and Procedures

Staff will be outlining the Arts Commission and staff recommended procedures for procuring public art in Raymore and asking for Council feedback and input into the process.

D. Proposed Ordinance to Temporarily Limit Construction Vehicles on Residential Streets

As development has increased again in recent years, staff has noted that in certain specific instances the increased traffic that is caused due to commercial construction vehicles using residential streets is causing accelerated wear on those streets and greatly accelerating timelines for repair or in some cases, the need for complete mill and overlay. Staff will be proposing an ordinance to allow for the limiting of commercial construction vehicles to routes designated by the City Engineer.
