

AGENDA

Raymore City Council Work Session
City Hall – 100 Municipal Circle
Monday, October 17, 2016

7:00 p.m.

A. Meet with Judge Nigro

The two-year contract for Municipal Judge will be up for renewal in December of 2016. This meeting will allow the Council the opportunity to speak with Judge Nigro about how he feels his first two years as Municipal Judge have gone and discuss issues of the Court and recent legislation in Missouri that have impacted the Municipal Court system.

B. Names for New Municipal Center and “Relocated Kentucky”

The Council will be discussing names for the new building on Municipal Circle and for the segment of road to be built off of Kentucky aligning with the traffic signal that serves the Galleria Developments north and south.

C. Public Art Process and Procedures

Staff will be outlining the Arts Commission and staff recommended procedures for procuring public art in Raymore and asking for Council feedback and input into the process.

D. Proposed Ordinance to Temporarily Limit Construction Vehicles on Residential Streets

As development has increased again in recent years, staff has noted that in certain specific instances the increased traffic that is caused due to commercial construction vehicles using residential streets is causing accelerated wear on those streets and greatly accelerating timelines for repair or in some cases, the need for complete mill and overlay. Staff will be proposing an ordinance to allow for the limiting of commercial construction vehicles to routes designated by the City Engineer.

- E. Fiscal Year 2017 Budget Discussion
This agenda item provides the Council the opportunity to discuss elements of the proposed FY 2017 Budget.
- F. Other

EXECUTIVE SESSION (CLOSED MEETING)

The Raymore City Council is scheduled to go into executive session to discuss Litigation matters as authorized by RSMo 610.021 (1)

The Raymore City Council may enter an executive session before or during this meeting, if such action is approved by a majority of Council present, with a quorum, to discuss:

- Litigation matters as authorized by § 610.021 (1),
- Real Estate acquisition matters as authorized by § 610.021 (2),
- Personnel matters as authorized by § 610.021 (3),
- Other matters as authorized by § 610.021 (4-21) as may be applicable.

Any person requiring special accommodation (i.e., qualified interpreter, large print, hearing assistance) in order to attend this meeting, please notify this office at (816) 331-0488 no later than forty eight (48) hours prior to the scheduled commencement of the meeting.

Hearing aids are available for this meeting for the hearing impaired. Inquire with the City Clerk, who sits immediately left of the podium as one faces the dais.

Memorandum

TO: Jim Feuerborn, City Manager
FROM: Meredith Hauck, Assistant City Manager
DATE: September 8, 2016
RE: **Municipal Center Name Recommendation - Centerview**

The project team for the Municipal Center project would like to propose the name **Centerview** for the building.

According to the Raymore Centennial Book, Centerview was one of the original Raymore Township country schools and was located across from the Gore farm. Other country schools included Funk, Greenlee, Harrelson (originally called Selden Seen), and Gilmore. The country schools merged into the Raymore Consolidated School after a vote in 1916.

CENTERVIEW SCHOOL-ONE OF THE COUNTRY SCHOOLS IN 1905

Back row, left to right: Hallie Winkler, Alice Winkler, Fannie Younger, Earl Winkler, Wilbur Gore, Chester Crueller, Teacher Miss Alma Crosby. Front row: Joe Winkler, Gladys Garnes, Elthel Pedicord, Herman Matthews, Mildred Crueller, Claude Pedicord, Oliver Ganes, May Pedicord.

Centerview was selected as the recommendation because in addition to referencing a part of the City's history, the name also ties nicely with the location of the building. With the addition of this building and the connecting trail network, Municipal Circle is positioned to become the city "*center*."

Staff also recommends utilizing the names of additional country schools for the meeting spaces inside the building. The large event space could

be **Harrelson Hall** and the the small meeting room could be either the **Greenlee Room** or the **Gilmore Room**. A historical sign or display could also be included in the building to provide information about the schools and where the names originated.

BILL

ORDINANCE

“AN ORDINANCE OF THE CITY OF RAYMORE, MISSOURI, ESTABLISHING THE AUTHORITY TO PLACE TRAFFIC ACCESS LIMITATIONS ON NON-LOCAL COMMERCIAL CONSTRUCTION VEHICLES WITHIN CERTAIN RESIDENTIAL STREETS AND AUTHORIZING THE INSTALLATION OF APPROPRIATE SIGNAGE FOR THE SAME, TO BE RECOMMENDED BY THE CITY TRAFFIC ENGINEER.”

WHEREAS, Section 305.050(1) of the City Code of Ordinances establishes the position of City Traffic Engineer and designates the City Engineer to hold the same title authorizing the exercise of powers and duties with respect to traffic as provided in Title III of the City Code of Ordinances; and,

WHEREAS, under Section 305.050(2) the City Traffic Engineer is authorized and duly charged with determining among other things, “the installation and proper timing and maintenance of traffic control devices...conduct engineering investigation of traffic conditions, plan the operation of traffic on the streets and highways of the City, and cooperate with other City Officials in the development of ways and means to improve traffic conditions, and carry out the additional powers and duties imposed by ordinances of the City; and,

WHEREAS, non-local commercial construction vehicles including semi-trucks and trailers, commercial trucks in excess of 1/2-ton capacity and commercial trailers in excess of Sixteen Thousand (16,000) pounds of capacity is now common in certain residential neighborhoods where new construction is progressing, and

WHEREAS, non-local commercial construction vehicles have been identified to pose a danger to the residents (including young children) and cause significant increased damage to the fully constructed residential streets therein; and

WHEREAS, the City Council has determined that there is a need for authority under Title III of the City Code of Ordinances allowing the City Traffic Engineer to limit non-local commercial construction vehicles including semi-trucks and trailers, commercial trucks in excess of 1/2-ton capacity and commercial trailers in excess of Sixteen Thousand (16,000) pounds of capacity where an alternative route is readily available and not overly burdensome;

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF RAYMORE, MISSOURI, AS FOLLOWS:

SECTION 1. That Chapter 340 of the City Code, be amended to add the following new Section 340.320:

**Section 340.320: NON-LOCAL COMMERCIAL CONSTRUCTION VEHICLES
WITHIN RESIDENTIAL NEIGHBORHOODS**

A. For purposes of this Section 340.320, the term “non-local commercial construction vehicles” shall be defined as semi-trucks and trailers, commercial trucks in excess of 1/2-ton capacity and commercial trailers in excess of pounds which are providing construction or landscaping services or delivery of materials and equipment for construction and landscaping services to portions of residentially zoned developments where new construction is progressing.

B. The City Traffic Engineer is hereby authorized to determine and designate streets or parts of streets located within residentially zoned developments where new construction is progressing upon which non-local commercial construction vehicles shall be prohibited from travel without prior authorization from the Chief of Police and/or the City Traffic Engineer.

C. In determining and designating the streets or parts of streets located within residentially zoned developments upon which non-local commercial construction vehicles shall be prohibited from travelling upon, the City Traffic Engineer shall;

1. Not establish an alternative route which negatively impacts other residentially zoned developments where new construction is progressing, and
2. Shall insure that the alternative route is readily available for the prohibited non-local commercial construction vehicles and not overly burdensome for the prohibited non-local commercial construction vehicles.

D. Whenever any ordinance of the City prohibits non-local commercial construction vehicles on streets or parts of streets within residentially zoned developments where new construction is progressing the City Traffic Engineer shall place and maintain signs giving notice thereof, and no such regulation shall be effective unless such signs are in place. Signs indicating the traffic prohibition of non-local commercial construction vehicles and the alternative route for the same shall be placed at every intersection where the designated non-local commercial construction vehicles are prohibited.

E. It shall be unlawful for any person to operate any vehicle in violation of such markings, signs, or barriers or other devices so placed in accordance with this Section.

SECTION 4. All other provisions of Chapter 140 as adopted by the Raymore City Code and enacted in previous Ordinances, shall remain in full force and effect as if fully set out.

SECTION 5. Severability. If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions thereof.

SECTION 6. Effective Date. The effective date of approval shall be coincidental with the Mayor's signature and attestation by the City Clerk.

DULY READ THE FIRST TIME THIS _____ DAY OF _____ 2016.
