Project: 58 Highway, Curb, Sidewalk and Pavement Improvements

To: Property Owners

RE: Project Update

Starting September 19th, weather permitting, The 58 Highway, Curb, Sidewalk and Pavement Improvements Project is scheduled to begin. Activities will include the closure of the curb lanes on 58-HWY from J-HWY to Dean and the removal and replacement of deteriorated curb and sidewalk sections. The entire corridor will receive a replacement of the driving surface and new pavement markings.

Access to all properties will be maintained. Those who have more than one driveway will have only one driveway closed at a time. Those with one driveway will have a steel plate placed over the work to allow access.

We thank you in advance for your patience during the construction. If you have any special access needs please contact me and we will work to accommodate those.

Sincerely,

A handwritten signature in blue ink that reads 'Dave Haggard'.

Dave Haggard

Project Manager
